IN LOVING MEMORY OF

COUNCILMAN
DON DEROIA

07.25.1936 - 05.11.2023

MESSAGE FROM MAYOR DAVID SMITH

Dear residents,

I pray that you are blessed and in good health. Happy Summer to you all.

I am saddened to say that councilman Don DeRoia has passed away. He will be missed dearly by our community. Taking his place is councilman Jesse Ruffin.

I'm excited about this year as we are once again making history. We will be having a ribbon cutting ceremony celebrating the opening of our new Village Hall this summer. There will be a community picnic event with food, live entertainment and a walkthrough of the facility. The date will be determined based upon completion of the building. We are also having another Resident Appreciation Party this year.

In addition, the community block grant program has taken off to a great start. We are pleased to announce that there were several applications given to those that qualify for the program. In addition to all of these great things, the Village creek restoration project located on Derbyshire has been completed. We are now working with the engineers to determine how to improve the water problems on North Randall Drive. Next year we plan on having a program to replace all of the dead trees on the tree lawns and to add additional improvements to the community. Plus, our Civic Center, which opened November of 2022, has provided many opportunities and events to the community. Please sign up for our upcoming events and take advantage of the great things that are taking place at the Village of North Randall's Civic Center.

Last but not least, this year is an election year. Please go out to support those who are up for reelection that have served this community with pride and integrity. Together we can continue to provide our great community with improvements and historic achievements that we all can be proud of.

Thank you for allowing me to serve as your Mayor for the last 20 years and I look forward to our continued success.

Mayor David Smith

NORTH RANDALL FIRE DEPARTMENT

MARSHALL SHORTS, FIRE CHIEF

The past several weeks have been extremely busy here at North Randall Fire Department. Last month, the firefighters put together a pancake breakfast and served the North Randall Seniors free of charge.

On Memorial Day the duty crew, and some additional personnel, attended the parade in Warrensville Heights to honor all military members who have died while serving in U.S. forces.

Public relations and Community Outreach is very important to us and as always, we appreciate the support provided.

Lastly, emergency responses are up by 13% so far in 2023. This could set a new record for our fire department. As of Friday June 23, 2023, we have responded to 701 calls for service. In 2016, our entire year's call volume was 749.

As always, thank you to Village Council, Mayor Smith and his staff for the support they provide us each and every day.

NOTICE:

The Village of North Randall Fire Department has partnered with the American Red Cross to provide smoke detectors to Village residents.

Any resident that does not have a working smoke detector in their home may apply.

To apply contact the American Red Cross Smoke Detector Hot-line at (216) 361-5535. Provide the requested information.

Once your information has been processed, the smoke detector(s) will be delivered to the North Randall Fire Department.

A representative from the FD will contact you to arrange a time for the FD to come out and install your detector(s).

All smoke detectors must be installed by NRFD personnel.

NO EXCEPTIONS!

If you presently have a working smoke detector, please **DO NOT** order new ones. Due to recent supply issues supplies are limited.

Thank You

POLICE

NORTH RANDALL POLICE DEPARTMENT

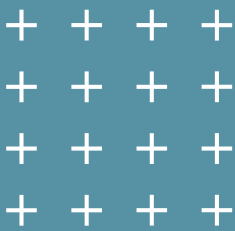

Michael Obannon, Police Chief

CRIMINAL INVESTIGATIONS TRAINING

Recently the police department sent Detective Melvin Stitt to a class, in Columbus Ohio, to help enhance his homicide investigation skills. In the class he was taught new investigation techniques not only in homicide, but in various areas of criminal investigations as well.

Upon completing the class, he was required to take a test. The test was a 4 hour "mock murder case" that each student had to solve individually. Detective Stitt was able to solve the case in 1 hour and 20 minutes, beating the other 39 students in the class. For his renowned achievement, he received an award from the Columbus Police Department.

Melvin Stitt was hired in 1993 as North Randall's first minority part time police officer. Soon after, he was hired as a full time officer in 1995 and was promoted to Corporal in 1998. In 2001 he was promoted to Sergeant and was assigned to the Detective Bureau in 2008. Detective Stitt continues to display excellent drive and determination when completing tasks. He gives the North Randall Police Department 110% of himself on and off duty.
